## VISION

“Vision of VIVA IMR is to be world-class facilitator of excellence in Management learning by providing accelerated Management education, high quality research and training suit the demands of the global economy.”

## MISSION

“VIVA IMR is committed to the mission of creating highly able managers and professionals, who will achieve consistent high levels of work performance and raise their full potential and thus influence the quality of management in organization they work with.”

## PRESIDENT'S MESSAGE

VIVA IMR is a young management Institute that consistently strives for the academics coupled with the emotional maturity and all round personality development of the students. It has always been the most sought after Institute amongst the students as it provides a platform to them where they can familiarize themselves with the corporate culture and can blossom as mature human beings.

Our endeavor is to develop VIVA IMR into an ideal education center, which not only provides managers and entrepreneurs, but also develop them into good human beings, who are tomorrow's nation builders. Today young graduates, not only needs degrees, but also human values and ethics, which make them capable of facing challenges in the globalized world. At VIVA IMR, they cultivate this quality completely in every aspect.

We provide strong academic foundation coupled with the industry interaction. Our team of faculty is constantly working on the job of inculcating and sharpening the management skills of the students. VIVA IMR provides environment that helps them decisively to think broader perspective.

Apart from this, we take pride to state that we have a long history of contribution to the welfare of society and humankind not only by grooming our students as good professionals but also by inculcating leadership power in them. We emphasize on character building and maintaining discipline amongst our students.

Mr. Hitendra Thakur

(President)

## DIRECTOR'S MESSAGE

*“Tell me and I forget, teach me and I may remember, involve me and I learn”.*

*---Benjamin Franklin.*

It gives me immense pleasure and pride to introduce our young and vibrant VIVA Institute of Management and Research. The above quote applies to the students of 21<sup>st</sup> century and hence at VIVA IMR we believe in actively providing a conducive environment of learning to our students by fostering strong values, being innovative, helping them to emerge as victorious and having strong aspirations in life.

Our Institute is committed to create and deliver an environment to learn, unlearn and relearn, as rightly quoted by author David J. Schwatz ‘KNOWLEDGE IS POWER’. Knowledge is power only when put to use and then only when the use made of it is constructive. ‘In this endeavor, our institute is committed to providing industry based interactions with corporate stalwarts and is continuously in touch with the industry experts to strengthen the learning curve. We are indeed happy with the trust and confidence that the industry has reposed in our Institute and wish to reciprocate by forging ahead relentlessly in doing whatever we can, wherever we can by enhancing the learning dynamics in our institute.

Dr. Hiresuh Luhar

(Director)

## TEAM OF EXPERTS—Core Faculties

VIVA IMR's Computer Centre is equipped with IntelI3, 7<sup>th</sup> generation PCs All PC's are connected through LAN & with internet connectivity.

Internet connectivity 32 MBPS leased line

The institute possesses licensed software and comes under Microsoft Campus agreement. Free internet facility with broadband and WI-FI connection is available to the students. 24 hours a day, 7 days a week.

## Classroom and Seminar hall

The Classrooms are ergonomically furnished for comfortable learning and equipped with modern communication and audio visual aids.

Guest lectures and corporate management development programs are conducted in a well-equipped seminar hall of the institute

Campus Canteen offers hygienic and broad range of Indian cuisines, snacks and beverages. It is a favorite hangout for students during the break where they discuss and exchange their thoughts.

After a hectic day with lectures and presentations, the students relax and relive their stress by a wide variety of sports facilities provided within campus.

## ACADEMICS

The rapid pace of transformation in business and industry along with the emerging global economy has created a compulsive need for students and working professionals to equip themselves with career oriented management education. To face the challenges of the corporate sector, VIVA IMR provides high academic standards and application based learning through its excellent infrastructure, evolving curriculum, innovative pedagogy and proactive industry-institute interface. VIVA IMR faculty with its academic and industry experience employ novel instruction methodology to encourage students to integrate theoretical and applied areas of studies.

### **Master of Management Studies (MMS)**

The Master of Management Studies is a Four Semester Master Degree Program of the University of Mumbai. Admission to this course is based on the scores of the Common Entrance Test conducted by the Directorate of Technical Education, Government of Maharashtra. In the First year of MMS comprising of First and Second Semesters, the students are educated in all subjects. The students undergo learning in different areas of management practices like Finance, Human Resources, Organization Marketing, Production and associated disciplines like Economic, Statistics, Law etc.

In the Second Year of MMS, the students select a specialization based on their interest and aptitude. The specializations offered at VIVA IMR are:

Finance

Marketing

Human Resource

Operations

Through its innovative pedagogy, VIVA IMR management and faculty focuses on integrating classroom learning with practical experience on communication, presentation skills and collaboration skills. The MMS program at VIVA IMR aims at training students to become decision makers, inculcating broad strategic vision based outlook and development of their ability to assume higher corporate responsibility.
