Faculty Development Programs (FDP) PhD. Coursework:

Another area of distinction for the institution is its emphasis on faculty development programs. These programs provide faculty members and research scholars with opportunities to enhance their research capabilities, teaching methodologies, and professional growth by investing in the development of its faculty, the institution not only strengthens its research culture but also enhances the overall quality of education provided to its students. The institution has designed comprehensive one week FDP program that cover a wide range of topics like:

- **One Week FDP Program**

- *"FDP 2023" " Advanced Research Methodology & Publication Ethics" From 27th to 31st March 2023.*
- *"FDP 2022" "Research Methodology: - Tools, Techniques and Practices" from 22nd Feb 2022 to 26th Feb, 2022*
- *"FDP 2021" "Trends and strategies in Teaching Delivery and Administration" from 13th April to 17th April 2021*

- **One Day FDP Program**

- *UGC-CARE: Consortium for Academic and Research Ethics on January 09, 2020 by Dr. Shubhada Nagarkar*
- *Research Report Writing on October 05, 2019 by Dr. Ajay M. Kamble*
- *Research Data Analysis using SPSS on 05.01.2019 by Dr Madukar Dalvi*
- *Online Research Strategies: Tools & Techniques on September 01, 2018 by Dr. Santosh Hulagabali*
